# WE OPTIMIZE YOUR PERFORMANCE AND COMPLIANCE

djp

## ISO/IEC 27001 Recertification

To maintain its commitment to the highest standards and ensure continuous compliance, Multimatics provided a solution by conducting audits and offering assistance for the recertification of DJP's ISO/IEC 27001 certification.

PERTAMINA

## IT Roadmap & Maturity Assessment

The complexity of PT Pertamina's holding-subholding structure posed challenges in efficient IT governance. Multimatics developed an IT roadmap and conducted a maturity assessment to enhance efficiency and synergy across holding and sub-holding entities.

PELNI

## Transformation Framework Development

To drive operational efficiency and competitiveness, PELNI required a clear transformation guide. Multimatics introduced the 4T Framework to evaluate and improve IT policies effectively.

JASA TIRTA I

## IT Enterprise Architecture Development

Faced with challenges in building a technology framework suited to its operational needs, Multimatics designed a comprehensive Information Technology Enterprise Architecture to achieve its core business goals.

# WE BUILD GREATER IMPACT THROUGH REAL RESULTS

## ISO Webinar Series

To meet the rising demand for skilled information security professionals, Multimatics partnered with the UK Embassy, KPMG Indonesia, and BSSN to deliver ISO webinar series, enhancing participants' expertise in ISO standards to strengthen information security practices.

## Cyber Security Program

Improving the overall cyber resilience across the ASEAN area, Multimatics established a two-year partnership with JICA to deliver cyber security training programs to CERTs across ASEAN member states.

## Cyber Security Academy

Telkomsel faced gaps in cybersecurity readiness, increasing vulnerability to cyber threats. Multimatics conducted a bootcamp for over 100 employees, enhancing cyber maturity, reducing risks, and minimizing potential business losses from cyberattacks.

## Cyber Defense Training and Certification

To strengthen the Satgas Siber TNI AD, Multimatics collaborated with Pindad to deliver specialized training and certification in cyber defense, bolstering their ability to protect national infrastructure and security.

## B2C Pricing Strategy & Analytics

Recognizing the need to optimize B2C pricing, Telkomsel partnered with Multimatics for a bootcamp at Fundamental and Advanced levels, improving their team's pricing strategy expertise, enabling data-driven decisions and revenue maximization.

## Data-Driven Analytics

To support its digital transformation, BNI partnered with Multimatics through the Data-Driven Analytics Bootcamp. This program enhanced their analytical skills, fostering data-driven decision-making and advancing transformation goals.

# WE LEAD YOUR PATHWAY TO ACADEMIC EXCELLENCE

## Lecturers Professional Cert Development

We supported UI's mission to strengthen academic excellence with certifications including CISA®, COBIT® 2019 Foundation, PRINCE2® Foundation, and ISO/IEC 27001 Lead Auditor. Our efforts empowered lecturers to lead in IT governance and project management.

## Lecturers Professional Cert Development

We equipped UGM lecturers with advanced certifications like CAIP, CIoTP, CyberOps Associate, and CPENT to excel in emerging technologies. This initiative not only advanced educators' expertise but also fostered innovation in education.

## Lecturers Professional Cert Development

We addressed the need to modernize teaching methods and industry relevance through certifications such as CompTIA Security+, CISA®, and PRINCE2® Foundation to elevate lecturers' global competencies and enhance educational standards.

## Lecturers Professional Cert Development

Over 5 years of collaboration, Multimatics and UNPRI have conducted TOT programs for faculty and certifications for more than 4,000 students, elevating education quality and graduate credentials.

## International Cert Partnership Program

To boost student employability, Multimatics partnered with UINSA to provide in-demand certifications. In 2020, over 4,000 students participated, and the ongoing collaboration has certified more than 19,200 students, significantly enhancing career opportunities.

## International Cert Partnership Program

For over 10 years, STIKOM Bali and Multimatics have partnered to enhance its education quality. Through ICPP for faculty and certifications for over 19,000 students, the collaboration has strengthened both teaching standards and student credentials.
